Timothy lives in a part of the old frame house on Main street, belonging to Mr. Goshorn. He is in the habit of whipping and otherwise maltreating Mrs. Timothy and "the childer," whose cries under this severe process of reform annoy the neighbors greatly.

In Monday night, between eight and nine o'clock, he had commenced operations, when the individual, who we stated had gone to Haneytown, appeared upon the scene and was summarily ejected. But a better man than he, was about, a veritable "wearer of the star," and having been informed of what was going on, he proceeded to the spot and arrested Timothy.

The "lock-up" opened wide its arms for him, and yesterday morning Judge Good fined him ten dollars and costs.

ORGANIC WEAKNESS

Immediately cured and full vigor restored.

This distressing affection, which renders life miserable and marriage impossible, is the penalty paid by the victims of improper indulgencies. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The System becomes deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspesia, Palpitation of the Heart, Indigestion, Constitutional Debitty, and Wasting of the Frame, Cough, Consumption, Decay and Death.
